

## New Liturgy Committees

As we continue to grow and the pastoral demands also grow for me, we have come to a good point in our parish history when we need to establish again a Parish Liturgy Committee. Instead of having one Committee, we will have two: One for the planning of English liturgies and one for the planning of Spanish liturgies. These two Committees will come together to plan bilingual liturgies.

I invite members of our parish, who would be interested in the creative process of enhancing the liturgical life of the parish community, to become members of one of these Liturgy Committees. All members will receive the necessary education to plan liturgies for the community. Our Liturgy Committees will focus on liturgical planning and not on church decoration. Church decoration will not be part of the Liturgy Committees' responsibilities.

This is a wonderful opportunity to be part of a very important aspect of parish life. Our worship will greatly benefit from the ministry that the Liturgy Committees will render the community. If you are interested in participating, please come to a short introductory meeting on Saturday, May 7<sup>th</sup> at 1:00 in the afternoon in the parish hall.

Blessings.

Friar Julio
